

# Healthy Homes: A free training for professionals working with migrant families

This **free** training is designed to help public health and housing professionals understand the **sources, health effects, and solutions** for addressing:

- ✓ Lead poisoning prevention
- ✓ Indoor air quality
- ✓ Mold and moisture
- ✓ Pests and pesticides
- ✓ Home maintenance

Participants will receive materials for sharing information with families whose health is impacted by home hazards.

**July 16, 2019**  
**9am-1pm**

**ECMHSP Regional Headquarters**  
**798 NC Highway 42 West**  
**Clayton, NC 27520**

[Click here](#) or call  
919-966-7238 to register  
by Friday, July 12.

*\*Please note: certificates of completion will only be provided for participants completing the full training.*
